I can't open this file. Can you send a pdf or something else?

Here is the latest version of the fact sheet. We have taken the word "DRAFT" off the copy. It is close to being final, but will remain as a draft until the decider calls it final.

I have heard there are no more comments on the compensation piece for this fact sheet. There may be another FAQ developed on this topic as we learn more about options.

Sandy is working on a data Fact Sheet.

Any other comments on this fact sheet? Are we ready to call it final and get it distributed? (web, public meeting, etc.) Should we send it to the media as well? Joan?
